HOW TO CREATE AN ENGAGED RETAIL WORKFORCE

Boost sales by making product training engaging

Give employees the confidence to close sales with dynamic training that's engaging, interactive, and flexible for in-store or remote teams.

Improve efficiency with fast and impactful onboarding

Get new hires up to speed quickly with AI-powered, bite-sized onboarding that's easy to customize and fully trackable.

Simplify compliance training across every retail environment

Keep teams safe and compliant with engaging training on product safety, GDPR, and workplace policies, while tracking progress and completion.

TRUSTED BY LEADING RETAIL COMPANIES

"Using Kahoot! for tournaments allows us to improve faster. After we analyze the results, our internal clients can develop communication material regarding specific topics."

Carmen Salcido
Project Leader, Coppel
